Miracle on Center Street!

From Anaheim to Los Angeles and Southern California to the World...
SouthlandInternetNews.com, BetterPoliceBureau.com, AnaheimInjustice.com & WhiteRoseAnaheim.com

Thank you Bill Taormina
For saving the Center Street Building
The ultimate act of kindness!

May its windows catch the gazing sun
and its friendly doors be open wide
to a safe landmark that celebrates life
with Bill Taormina and friends by it's side
and that constant faith and hopeful dreams
will always be a part if its foundation

May its walls rejoice and echo forgiveness
and be a place where love has come to live

In wonder we witness a miracle
Inspired by preservation
our prayers were answered

Let those displaced remember the sun
Bless them for they are the light
Beso bo Giza buyabo
I will return, they will return
with God's blessing to a clean city!
